

# CP99 Memorial Scholarship

Christian Pluszczynski was a 13 year old, soon to be 8th grader, at Jefferson Middle School when he was tragically taken too soon on August 19, 2018.

Christian was a boy who loved life. He loved family, friends, and food. His passion, however, was baseball. Christian fell in love with baseball the minute he got his first hit. His ultimate goal was to play for the Bulldogs of St. Clair Shores. Christian worked hard. He tried out twice for two separate teams, and did not make either team. He persevered through the setbacks and worked even harder to make his dream come true. Coaches began to see the hard work Christian had done to improve. After a few games the coaches approached him. They wanted him as a Bulldog. Throughout the years, Christian demonstrated pride in being a part of this team. It became his love! We ask that you write in memory of Christian, but we also hope that you find that passion in your future. We are thankful that we are able to continue to honor Christian and provide scholarships in his name. We wish you luck!
