

2024 Senior Class Memory DVD OR Flash Drive

2024 Graduation DVD OR Flash Drive

We are looking for the following photos to make the Annual Senior Class Memory Video. **We would like to have 3-5 photos of each senior for the video. Pictures we are looking for are: first day of Kindergarten, Senior picture, a picture with parents/family that will be used for a special family song, and any other school memories. Digital and cell phone photos are welcomed.** The video production crew will create a composite that best represents the entire class. *Please note that if you send multiple photos, they may not all be used. Small groups of people are better than large group pictures. You can email your photos to Zacharycardenas@shorian.org or you can send in the originals to Mrs. Blaszkowski (Room 101) in a clearly marked envelope. Be sure the first and last name is on the back of ALL photos. All original pictures will be returned. **The last day we will accept pictures will be Friday, April 19, 2024.** The video is played for the class at a time to be determined and will play on the big screen before the graduation ceremony for family.

Video productions will also be present recording graduation and creating a video with multiple shots of the event.
